

JOIN US AT YORK CASTLE MUSEUM TO

Shed New Light on Old Museum Objects!

MATERNITY ALTERNATIVE
CATALOGUING PROJECT

10am Thursday April 9, 16 and 23
York Castle Museum

See overleaf for more details!

We want parents of young children to help us better understand our maternity and parenting museum objects. In these workshops we will help you create a personal response to one or more historic objects, which will be used in our museum catalogue.

You don't need to know about history. We're interested in your opinions and experiences as parents.

Babies and children are welcome!
We are breast-feeding and bottle-feeding friendly.
Snacks and drinks will be provided.

To sign up, email or call:

M Faye Prior

Assistant Curator of Costume and Textiles

York Castle Museum
