

Halloween

Thank
you

for deciding to host a York Mumbler community trail. We are passionate about providing fun, safe activities for families in York and you are helping us to achieve that goal! In this host pack you will find everything you need to set up your community Goblin trail. Here are some top tips for getting set up:

MARKETING YOUR TRAIL:

1. Let us know you are hosting a trail, email holly@mumbler.co.uk and she will get your trail listed on our dedicated home page on the York Mumbler website.
2. Use the Goblin trail poster to advertise where you are setting up your community trail, use community notice boards and facebook groups to do this. Don't forget to use [#yorkgoblintrail](#) and tag in [@yorkmumbler](#) so we can also share across the York Mumbler social media channels.

SETTING UP YOUR TRAIL:

1. Once you have let you know you are interested in hosting a trail we will list you on our Goblin Trail page.
2. Your trail should be set up by the 24th October and be available till 31st October to allow families to access it throughout the October half term holidays.
3. Once you have printed off your clue sheets laminate them to protect them from the weather.
4. Use a hole punch to make holes in your clue sheets, this will enable you to easily tie your clues to tree trunks, lamp posts etc. to secure them in place with string, ribbon etc.
5. Please take care not to damage any trees or wildlife habitats when setting up your trail. Clue sheets should be easily spotted from public paths to discourage heavy footfall over natural areas.
6. There is no set order for the trail clues so you can display them however you like, just try to keep them within a contained area so young children can easily find them all.
7. If possible, check your trail a couple of times throughout the event to ensure it hasn't been damaged or clue sheets lost.
8. Please remember to tidy up and take your trail down after October half term.
