

# MAKE YOUR OWN ROYAL BUNTING OR CELEBRATION FLAG

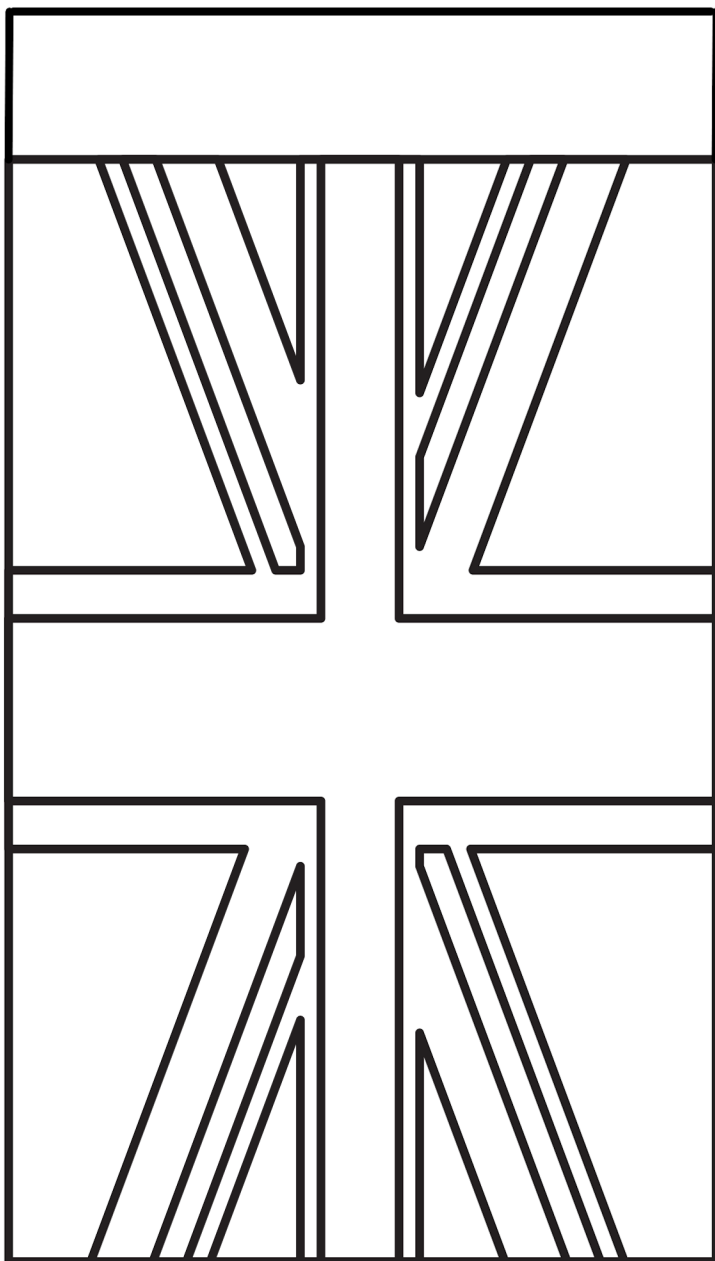

## BUNTING

## CELEBRATION FLAG

Why not find a twig or stick from your local park to make the handle for your flag!

## YOU WILL NEED:

Fold along here

## INSTRUCTIONS:

- Print off as many flags as you need, depending on how long you want your bunting to be, or if you are making a flag to wave only one print out is required.
- Colour in the flags, following the colours on the union jack flags above or choose your own design!
- Carefully cut around the outside of each flag, ensuring to keep the top fold over section attached to your flag.
- **For bunting** - fold along the fold line, marked above and glue or tape into place at regular intervals, along string or ribbon to create bunting.
- **For celebration flag** - fold along the fold line, marked above and glue or tape around a stick or paper straw.
